PROFILE

Graphic Designer and Multimedia Producer with 5+ years of experience translating business goals into brand identities, product photography, and print, digital and video assets. Brought catalog photography in-house and standardized design workflows to support efficient production. Available immediately for remote roles.

WORK EXPERIENCE

San Pedro Sula, Honduras

Graphic Designer | Tecno Supplier

- Brought catalog photography in-house, eliminating reliance on an external photographer.
- Built product labeling and barcode artwork for consistent, print-ready execution.
- Designed point-of-sale banners, stoppers and stands for the distribution network.

Graphic Designer | Molinero's Comercial

- Standardized brand templates and visual guidelines to speed up production and maintain consistency.
- Developed digital advertising campaigns from creative concept to final, platform-specific assets.

Graphic Designer & Community Manager | Importaciones Gicell

- Converted social media inquiries into quotes and sales through direct follow-up.
- Managed content creation, publishing calendars and community engagement.
- Photographed product catalogs and coordinated wholesale orders and nationwide fulfillment.

Community Manager | Casa de la Pintura

- Created social media copy and visuals and resolved customer inquiries across digital channels.

ADDITIONAL EXPERIENCE

Customer & Technical Support | Casino 777
Administrative Assistant | Asesoría Legal Integrada A.L.I.
